

Four Square

A Survival Guide to Mr. Mangham's Math Class

What To Bring Every Day	How To Complete Assignments	What If I Don't Understand My Homework?	What Not To Say To Mr. Mangham
Math Spiral (physical or electronic)	All work completed in pencil.	Ask questions on Edmodo.	I did not do my homework because I did not understand it.
Binder Reminder (physical or electronic)	Show all work.	Come in the morning during 30 Magical Math Minutes.	I did not think we had to show any work OR I did all the work, but (insert excuse here).
Pencil	All work on a separate sheet of paper.	Check online for help at ManghamMath, Khan Academy, or the online textbook.	I did not think that we had homework last night.
Homework	If turned in, all work folded correctly with your name on the outside.	Look back at your notes that you took in class.	I did not bring my (insert everyday item) to class today.
