

2014-2015 Project-Based Math Camps

Making Math Meaningful

Monday, September 1
Fantasy Football

Are you ready for some football? Whether you are a rookie or a veteran, come learn what fantasy football is all about. You will get to draft a team to be part of the Durham Fantasy Football League. Football cards for everyone!

Saturday, October 11
Stock Market

Did you know the 3 worst days in US stock market history took place in October? Both Bulls and Bears are welcome to learn what it means to become part owner of Nike, Starbucks, and Gamestop.

Saturday, November 22
The Hunger Games

Mockingjay Part I opens November 21. Come join us in District 12 to analyze how the reaping really works. We will hold a celebrity Hunger Games simulation and let you become Gamemaker and design your own arena.

Saturday, December 13
Animals Big and Small

Why are some animals short and stocky while others are tall and lanky? Learn how volume and surface area have an important role in the size and shape of all animals on Earth as you design your own new species.

Coming in 2015

Monday, January 5
Architecture & Design

Monday, January 19
Food & Restaurants

Friday, April 3
Titanic

Friday, May 22
Stock Market
