

### **FREE GAS**

When you travel from Raleigh, NC to your next city you have won a certificate good for free gas. Calculate how much gas was used like all other routes, but put \$0 in the cost of gas column.

### **HUNGRY FAMILY**

Your family is getting very hungry on this trip! On day 5 of your trip you decide the family needs a good breakfast to start the day. Thus, you go to a breakfast buffet which costs \$6 per person, instead of the normal \$3 per person breakfast.

### **FREE HOTEL STAY!!!!**

Wow! You are such a good customer at Super 8 Hotels that you have won a free stay at any Super 8 hotel of your choice. Mark \$0 as the cost of your room during the night of your choice.

### **GRISWOLD'S STEAL TOWELS**

Oh, no!!!! Someone in your family stole the towels from the Super 8 hotel. Since you paid with a credit card, the hotel simply adds \$25 to your bill. Add \$25 to your hotel cost on day 8.

### **FREE FOOD!!!!**

During a quick stop at the beach on your drive up the east coast, your family plays skee-ball. Audrey get the highest score ever and wins coupons good for an entire days worth of food for the entire family! On day 13 of your trip mark \$0 in the food column.

### **GRISWOLDS VISIT COUSIN EDDIE**

On your wonderful trip you pay a visit to Cousin Eddie and his family! Since Cousin Eddie has fallen on hard times, you decide to do the nice thing and treat his family to dinner. On the 9th day of your trip, you must pay for 8 dinners instead of 4.

### **EXTRA DRIVING HOURS**

Clark has done such a fabulous job driving on the trip so far that the rules committee has given your team extra driving time! On any ONE day of your choice you may have driving hours of 6am to 10pm.

### **CAR PROBLEMS**

Bad news. Your family seems to have a minor problem with your car. This is probably because Clark has been pushing the gas pedal a little bit too hard. It appears you will need some extra maintenance. During your first maintenance stop add \$50 to your bill.

### **GOOD DRIVING**

Ellen has done much of the driving in your family and, being the good driver that she is, your car does not need as much maintenance. During your first maintenance stop you only have to pay one-half of the normal cost.

### **CAUGHT SPEEDING!**

Since Clark and Ellen were a little tired, they decided to let Rusty have a chance at driving. Whoops, Rusty decided to go a little bit too fast! On your route from Columbus, OH to the next city add \$75 in your maintenance column to pay for your ticket.
